Staff Report

Planning Commission Meeting Date: April 7, 2025

City Council Meeting Date: April 14, 2025

Agenda Item: PD Approval

Summary:

Jonathan Napier with Land Equity Partners, LLC has submitted a PD for a 146 Town Home development located at 545 Haddock Rd. The applicant also submitted a traffic study for the area of the project that was reviewed by the Planning Staff. However, the traffic study does not take in to account the 44-unit apartment project that is being built adjacent to this this project on Haddock Rd., nor does it take into account the proposed GA/Fla. Pkwy. development to the south on Haddock Rd. The PD calls for 146 town home units and will have its own H.O.A., an amenity area, two dock areas for the lakes, and a 25' natural vegetative buffer surrounding the property, along with fencing that will provide privacy for the community. The entrance will be located off of Haddock Rd.

Current Zoning: A-F/ Agricultural Forestry (County)

Is Proposal Consistent with the Comprehensive Plan? Yes, to provide affordable housing for the city.

Staff Recommendation: Staff Recommends approval with the following condition

- 1) A decel right turn lane and a left in turn lane on Haddock rd. will be required for this project.

I. GENERAL DESCRIPTION

- A.** This application proposes to entitle the construction of Townhomes on parcel 108 005 located on the east side of Haddock road in Kingsland, GA. The project address per the county GIS map shows this location to be 545 Haddock Road and is approximately 24.46ac.

Existing and proposed access for this parcel will be located along Haddock Road. The proposed concept plan shows a single/shared entrance for the development, however, at the time of engineering design a second entrance may be necessary to provide adequate ingress and egress for the site.

Utilities with regards to water and sewer capacity will be requested as part of this rezoning process with the City of Kingsland.

- B.** Currently the owner of this parcel is shown to be: Sarah and Dustin Lee and is shown to be zoned A-F and is currently under the jurisdiction of Camden County. This rezoning will be concurrent with the annexation request to be made to the City of Kingsland.
- C.** See plat and deed for parcel boundary and description – provided in separate documents.

II. PROPOSED DEVELOPMENT PLAN

A. Plan Concept and Proposed Land Uses

TOWNHOMES

The project will provide single family-attached dwellings. The permitted maximum units per townhome structure allowed will be 6 townhomes per structure. To efficiently arrange single-family attached dwellings, townhomes and duplexes on this unique property and to meet building codes for residential use; construction will require clearing and grubbing, installation of utilities, construction of roads and all associated infrastructure.

B. Existing and Proposed Zoning

This parcel is currently under Camden County Jurisdiction in a A-F zoning district. This rezoning will be concurrent with an application to annex this property from Camden County into the City of Kingsland.

This application proposes to amend and annex this parcel into the City of Kingsland and rezone by creating the Haddock Road Planned Development Zoning District (PD/R2 District). The PD District is intended to be specific for this parcel only.

C. Compatibility with Nearby Uses

Nearby existing land uses includes apartments and single family residential homes. The proposed townhome development is compatible with all nearby uses.

D. Landscape and Buffers

A 25ft landscape buffer is required along the northern and southern property lines as well as a 25ft buffer along Haddock Road. This buffer should be planted, fenced, or a mix of both to ensure privacy from surrounding parcels. Maintain as much natural vegetation as possible along the rear of the ponds along the border of the property lines to help maintain privacy.

III. PROPOSED USES AND OTHER REQUIREMENTS

A. Permitted Uses. The following uses are permitted in the PD District:

- 1) Townhomes - 2 to 6 units per structure
- 2) Duplex structures (single-family attached – 2 units per structure)
- 3) Customary home occupation established under the City of Kingsland regulations
- 4) Townhouses will be in compliance with section III.C below
- 5) Neighborhood amenities such as common buildings, sidewalks, parks, walking paths, and lakes.

B. Special Uses:

A special use permit is required for any ancillary building such as sheds requested. Special Use permission does not apply to the amenity areas or common areas when being construction/installed under the supervision and with the permission of the HOA or development group.

C. Other Requirements: Unless otherwise specified elsewhere in this Zoning Text, permitted uses shall be required to conform to the following standards:

Planning Commission Meeting Date: April 7, 2025

City Council Meeting Date: April 14, 2025

Agenda Item: Rezoning

Background:

The surrounding parcels in the area are a mix of C-2 General Commercial and R-1 Single Family Residential. The applicant is the owner of the existing Sun Set Funeral Home at 401 North Lee St. and is proposing to build a new Funeral Home with a larger parking area to provide more spaces for customer parking on the parcel across the street at 403 North Lee St. The applicant has stated that the existing Funeral Home at 401 North Lee St. will be used as an event center or some other commercial use once the new Funeral Home is completed.

Summary:

Quinton Douglas with Q.L. Douglas Enterprise has applied for a rezoning of parcel K16 01 003 containing approx. 1.45 acres located at 403 North Lee St. The applicant is requesting that the parcel be rezoned to C-2 (General Commercial) for a proposed new Funeral Home. The parcel will also be located in the C-1A Business Corridor District.

The Kingsland Downton Development Authority recommends denying the zoning change, as the property and existing home is registered as a contributing historical valued property.

Current Zoning: R-1

Is Proposal Consistent with the Comprehensive Plan? Yes

Staff Recommendation: Staff Recommends Approval with the following condition:

- 1) The applicant may not operate the existing and proposed new funeral home simultaneously.**

REASON FOR REQUEST

Would be in harmony with the character of the neighborhood because I would like to put a new building on the property to serve as a funeral home. If approved I would close the existing funeral home located at 401 N. Lee St. which has been operating for the past 40 years.
Would not be detrimental to property or persons in the area because I don't feel that this would be detrimental to the community due to I currently own and operate the same business (funeral home) adjacent to this property.
Other Comments: If granted this request to place a new and modern building on this property it would provide the citizens in the area with better service and improve the value of the property. ex: bigger facilities adequate parking
