March 6, 2026

A background investigation was conducted for the Alcohol Beverage License application submitted by Hardika Patel for DBA Snappy Food (Shreeraj26 Inc). 1870 Harriets Bluff Rd. Woodbine, GA 31569. The findings are:

A local criminal background check was conducted for Patel, and there was no criminal history located. There is no record of Wilcox having any negative contact with law enforcement, including the Kingsland Police Department or any other law enforcement in the region.

I spoke with the one person listed as references on the application.

On March 6, 2026, I attempted to contact Chris Kurrasch, [REDACTED] the number was disconnected. I had to contact the applicant, Hardika Patel, for another number. Patel provided the phone number [REDACTED] and stated that it was Kurrasch's cell number and that he was a vendor for her. I made contact with Kurrasch, who stated he has known Patel for 10 plus years, and she and her husband are some of the nicest people he has ever met, he sees no reason that they should not be allowed to obtain this license.

On March 6, 2026, I attempted to contact Gail Richardson, [REDACTED] I then learned that the number was an automated bank line. While on the phone with Patel, she stated that Richardson was her banker, whom she has known for several years, but she did not have a direct line number. I was able to contact Richardson at the automated number: she advised that she has known Patel and her husband for approximately 6 years and that the couple banks there with their personal accounts and several business accounts. When asked if there was any reason she shouldn't have an alcohol license, she stated no and that she knows several of her other businesses have alcohol licenses currently.

On March 6, 2026, I made contact with the third listed reference, Cindy Daniels, [REDACTED] At that time, I learned that Daniels works for planning and zoning. I explained that she was listed as a reference on the application, and she stated that she only knows Patel due to her currently having an alcohol license through the city for another business.

Based on the above information, I believe Harika Patel is qualified for this alcohol license.
