Planning and Community Development Staff Report

Planning Commission Meeting Date: June 6, 2022

City Council Meeting Date: June 13, 2022

Agenda Item: Variance for Parcel 095G 065, 156 Greenacres Circle N.

Background: Due to a complaint filed with the Planning Dept., The Code Enforcement Officer discovered that the applicant has several chickens and roosters in a chicken coop in her back yard. City Ordinance does allow for 2 chickens per half acre in a residential neighborhood. The applicant's property does not meet the acreage requirement and the applicant has stated that because of family member's medical conditions and cost of food, there is a need for the applicant to have the chickens to provide eggs for her family. The applicant also has no way of expanding her property to the half-acre requirement.

Summary: Marcie Costello is requesting a variance to allow chickens on a residential lot that is less than the required ½ acre.

Zoning: R-1

Is Proposal Consistent with the Comprehensive Plan? No

Staff Recommendation: Staff recommends approval with the following condition:

- 1) There can be no more than 2 chickens on the property and no roosters are allowed.

Staff Report

Planning Commission Meeting Date: June 6, 2022

City Council Meeting Date: June 13, 2022

Agenda Item: Variance for Parcel K22 03 009, 694-1 Williams Ave.

Background: The Code Enforcement Officer discovered that the applicant had place a storage building on the property **without** obtaining a building permit. After an inspection of the building, it was discovered that the building does not meet the required 25' setback requirements from a Public ROW and does not meet the required 10' setback requirement from the primary structure on the property. There is a city water line that runs down Williams Ave. on the same side of the street that applicant's property is located. Because of where the building is located, if the water line has to be repaired or replaced, there could possibly be an issue of getting equipment in the area to do the work. The applicant's stated that the ground behind the primary structure is very wet and too soft to be able to set the building within the required setbacks.

Summary: Howard Davis is requesting a 16' variance to the to the 25' side yard setback requirements from a public ROW for an accessory building. The applicant is also requesting a 5' variance to the 10' requirement that an accessory building must be placed from the primary structure. The purpose of the request is for a storage building that has been placed in the side yard of the property.

Zoning: C-2

Is Proposal Consistent with the Comprehensive Plan? N/A

Staff Recommendation: Staff recommends approval with the following condition that the applicant has agreed to:

- 1) If the water line, that is located in the City ROW adjacent to the applicant's property, needs to be repaired or replaced, the city will have to right to move the building if the placement of building does not allow access for equipment or materials to do the work.

City Council Meeting Date: June 13, 2022

Agenda Item: Variance for Parcel 082 H037, 121 Castle Oak Court.

Background: The applicant did obtain a building permit for the Planning Dept. and discovered after the storage building was placed on the property, that the front corner of the building is 3' from the side property line and not within the 5' setback requirement. The applicant also stated the tax assessor's property lines showed that there would have been enough space to be within the 5' requirement. However, after a survey was completed by the applicant's neighbor, the previous property line was shown to be incorrect.

Summary: Jean & Steve Joiner are requesting a 2' variance to the to the 5' side yard setback requirements for an accessory building. The purpose of the request is for a storage building that has been placed in the side yard of the property.

To Scott Kimball,

May 12, 2022

A background investigation was conducted for the Alcohol Beverage License application submitted by Robert Williams for the Exit 7 Travel Stop LLC dba Exit 7 Travel Shop, 1870 Harriett's Bluff Rd. Woodbine, GA 31569. The findings are:

A local criminal background check was conducted for Robert Williams and there is nothing that would disqualify him from licensing. There is no record of Williams having any negative contact with law enforcement with the Kingsland Police Dept. or any law enforcement in the region. An internet/social media search for Williams did not locate any information that would disqualify him from licensing.

I spoke with the three persons listed as references on the application.

On 05/10/2022, I spoke with Howard Carswell, 706-485-3551. Carswell stated he has known Williams for approximately 20-30 years. Carswell stated he knows of no reason why Williams should not be granted this application.

I was unable to make contact with Howard Cills, 706-485-8557.

On 05/11/2022, I spoke with Kerry Hand, 404-217-2311. Hand stated he has known Williams for approximately 3 years. Hand stated he knows of no reason why Williams should not be granted this application.

Based on the above information I believe Robert Williams is qualified for this alcohol license.

Respectfully,

THIS AGREEMENT made this ____ day of _____ 2022, between **Blue Line Solutions, LLC** (herein “BLS”), and the **City of Kingsland** (herein “City”), a City in the State of Georgia.

WHEREAS, BLS has the legal possession and processes, referred to collectively as the “Automated Speed Enforcement System” (herein “ASE System”), and

WHEREAS, City desires to use the ASE System to monitor excessive speeding infractions and other potential traffic violations, issue traffic notices of violations and evaluate traffic movement and safety, affirms it has no other such equipment or service provider, and has the right, power and authority to execute this Agreement.

NOW THEREFORE, the parties agree:

As used in this Agreement, the following words and terms shall apply:

“Notice of Violation” means a Notice of Violation issued by a competent state or authorized law enforcement agency or by a court of competent jurisdiction relating to an infraction evidenced by the ASE System.

“Person” or **“persons”** means any individual, partnership, joint venture, corporation, trust, unincorporated association, governmental authority or political subdivision thereof or any other form of entity.

“ASE System” means Automated Speed Enforcement System, described as photographic traffic monitoring devices capable of accurately detecting a traffic infraction and recording such data with images of such vehicle. Each ASE system will contain a minimum of one LIDAR/camera for each lane of travel in which enforcement is conducted.

“Violation” means operating a motor vehicle within a school zone in excess of ten miles per hour over the speed limit on a school day during the time in which instructional classes are taking place and one hour before such classes are scheduled to begin and for one hour after such classes have concluded.

2. BLS AGREES TO PROVIDE:

The scope of work identified in **Exhibit A**.

3. CITY AGREES TO PROVIDE:

The scope of work identified in **Exhibit B**.

4. TERM AND TERMINATION

a. The initial term of this Agreement shall be for 3 (three) years beginning on the date when the first Notice of Violation is issued. This Agreement shall automatically renew for successive 1 (one) year terms unless either party provides written notice of its intent not to renew the Agreement at least thirty (30) days prior to the expiration of the current term.

Either party shall have the right to terminate this Agreement by written notice:

- i) At any time during the term of this Agreement without cause with 30-day notice, provided however, (x) if the City terminates the Agreement prior to the expiration of any term, the City shall pay the applicable costs set forth in Exhibit C; and (y) the City shall not terminate this Agreement without cause in the first year of the term;
- ii) If applicable law is changed so as to prohibit or substantially interfere with the operation or feasibility of the ASE System or the parties' obligations under this Agreement;
- iii) For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement. Termination under this subsection may occur if the terminating party notifies the other party of its intent to terminate, stating the specific grounds therefore, and the other party fails to cure the default within sixty (60) days after receiving notice.

b. Upon any termination of this Agreement, the parties recognize that BLS and City will use their best efforts to continue to process any and all pending Notices of Violations. Accordingly, the parties shall have the following obligations which continue during the termination process: City shall cease using the ASE System, shall allow BLS to retrieve all equipment to BLS within a reasonable time not to exceed 30 days, and shall not generate further images to be processed. Unless reasonably agreed upon otherwise by both parties, BLS and City shall continue to process all images and Notices of Violation that occurred before termination in accordance with this Agreement and BLS shall be entitled to all Fees specified in the Agreement as if the Agreement were still in effect.

c. Notwithstanding any provision to the contrary this Agreement terminates automatically upon a determination by any Court of jurisdiction, State or Federal, that the ASE System or the underlying Infraction are unconstitutional, illegal or otherwise prohibited. Any legislative act, State or Federal, which prohibits the use of the ASE System or the enforcement of the underlying infraction, shall also automatically terminate this agreement.

5. ASSIGNMENT AND EFFECT OF AGREEMENT

Neither party may assign all or any portion of this Agreement without the prior written consent of the other, which consent shall not be unreasonably withheld or delayed; provided, however, the City hereby acknowledges that the performance of BLS's equipment and obligations pursuant to this Agreement require a significant investment by BLS, and that, in order to finance such investment, BLS may be required to enter into certain agreements or arrangements with financial institutions or other similar entities. The City hereby agrees that BLS shall have the right to assign or pledge its rights under this Agreement in connection with any financing subject to the City's prior written approval, which approval shall not be unreasonably withheld or delayed. The City further agrees that in the event BLS provides written notice to the City that it intends to assign or pledge its rights pursuant to this Agreement, and in the event that the City fails to provide such approval or fails to object within thirty (30) days after its receipt of such notice from BLS, then BLS shall be free to effect such transaction.

This Agreement shall inure to the benefit of and be binding upon all of the parties hereto and their respective executors, administrators, successors and assigns as permitted by law.

Provided, however, nothing in this paragraph shall be construed contrary to the terms and provisions of any "Open Records Act" or similar laws, insofar as they may be applicable.

Any such mediator must be acceptable to each party. The mediation will be conducted as specified by the mediator and agreed upon by the parties. The parties agree to attempt to reach an amicable resolution of the dispute. The mediation will be treated as a settlement discussion and remain confidential. Each party will bear its own costs in the mediation and will equally share the fees and expenses of the mediator.
