Please list any community involvement, special skills, talents, experience, expertise or other qualifications that you would bring to the board(s) for which you are applying:

I am a property owner and resident of a historic home in Kingsland's beautiful Historic District.

I have 20 years' experience in residential construction, project and team management (specializing in historic renovations). My work has been published in numerous national and international design magazines and has received multiple national awards.

For the last 12 years I have operated a boutique design firm where a majority of my work is luxury vacation homes allowing me the opportunity to work with federal agencies and local municipalities across the nation.

I am an avid volunteer with WECC 89.3 fm and spearhead a ministry whose mission is to build interdenominational community throughout the many local churches of Camden County.

I believe my greatest asset to the team is my unreasonable and unrelenting confidence that GREAT THINGS can happen in what seem like only a moment when a well-defined vision is combined with diligence.

Please list the name, address and telephone number of two people who we may contact as references.

Martin Turner 912-552-4291 - Camden County Chamber of Commerce
